

SUCCESSFUL STORY

YES Hardware Grocery has over 250 stores within our grocery channel nationwide in South Africa. The QkDefine® face recognition security platform is highly accurate and scalable helping companies fight theft organized retail crime and workplace violence.

Challenge: YES Hardware Grocery has over 250 stores and each store has tens of thousands of equipment and parts. Because there are many parts and small size in the store, the staff must explain the products to the guests as well as checking the items on the shelves. The main reason for the goods is stolen which is the shortage of manpower. The problem of theft has been plaguing the company. The YES Hardware Grocery want to achieve the ability as below after used QkDefine® Face Recognition solution.

- ▼ Radically reduce incidents of shoplifting fraud and organized retail crime.
- ▼ Protect Customers and associates by preventing in-store violent confrontation.

Solution:

YES Hardware Grocery selected the i-View Face Recognition solution. An obligation proof has arranged a set for one month filed testing at a store, before for all of the stores' real installation. The QkDefine® face recognition security platform is highly accurate and scalable helping companies fight theft organized retail crime and workplace violence; the powerful function eliminated the barriers that YES Hardware Grocery had been worrying.

Result:

Whether you wish to recognize, identify or verify a person, a camera and recorder with facial recognition capability is an efficient solution. QkDefine® Face Recognition system is an accurate, scalable, private, secure, the real-time alert crosses App, SMS, email and Central Monitoring Server will more effectively prevent crime to help you improve customer service and protect your assets by identifying important customers or potential perpetrators.

By fighting theft crime and workplace violence, YES was able to deploy QkDefine® Face Recognition system over 125 stores during the first implementation phase was extremely pleased with their ability to:

- ▼ A strong uptick in arrests OF theft crime.
- ▼ 20% apprehensions directly attributed to QkDefine® Face Recognition.
- ▼ 2,500 images and counting enrolled
- ▼ 9.500 rea-lime alerts about potential in-store threats.
